

GOV'T OVERREACH

Freedom for the Individual - NO Mandates!

It's not the purpose of government to mandate what we drive, how we cook our food, heat our homes and what vaccines to put in our bodies. Freedom is to choose what is right for each individual and their family.

Our Borders and Immigration

DE Democrats in Power want open borders. That makes it easier for gangs, drugs and human trafficking to enter our country. We want strict border security with a clearly defined pathway for citizenship for those who enter legally. We want a responsible immigration policy.

Sanctity of Life

DE Democrats in Power want surgical abortion on demand up to birth paid for with tax dollars, HB 110. We support religious, parental, legal and safe reproductive rights while also balancing the life of an unborn baby. Vote Republican if you agree.

2A Rights

Delaware Progressives want to license a Constitutional Right and treat law abiding citizens like criminals. The right of the citizen to bear arms shall not be Infringed!

Progressive want to tell You how to live and force their views on everyone else. No more!

IT'S THE ECONOMY

DE Democrats in Power spend more than we can afford and plan to raise our taxes.

DE Republicans demand we balance our budget!

FACT Delaware Democrats passed the 2025 budget that is \$523 million dollars higher than 2024, yet brings in only \$80 million more in revenue. Can YOU do this? Democrat spending is UNSUSTAINABLE! They WILL increase taxes!

Sources: 2023 Budget Bill - HB 195, 2024 Budget Bill - SB 325, DEFAC June 2024 Revenue Worksheet

FACT Delaware Democrats passed a 2024 budget to increase spending by 13% higher. That's \$14,736 per household. Can you afford to pay \$14,736 more? Can your neighbor?

FACT One third of Delaware's population is on Medicaid, yet Delaware Democrat lawmakers voted to expand services with less revenue. This is UNSUSTAINABLE!

FACT In 2023, Delaware had the smallest Real Gross Domestic Product (GDP) among all states in the country, -1.2%, the sole state with a negative GDP growth rate. This needs to change!

FACT 61% of Americans who live paycheck to paycheck can't afford these increases.

EDUCATION MATTERS

When Delaware schools fail, Delaware's economy fails, leading to poverty and crime. Education matters!

DE Republicans demand the return of authority and accountability back with teachers, not bureaucrats!

FACT As per the *Nation's Report Card*, Delaware is the 4th worst performing state on the National Assessment of Educational Progress while being in the top 10 in spending, \$20,231 per student (DOE).

FACT In Delaware, 17 schools have less than 1 in 10 students that can read or do math at grade level. Democrats don't have a plan!

FACT Roughly 1/3 of the state budget is spent on education, yet Democrats want to spend more! Lack of money is NOT the problem!

FACT Over the last 20 years spending per student increased 34.5%, while students' test scores continue to drop. Democrats plan to raise property taxes to increase spending by \$500 million to \$1 billion to improve "equity."

FACT DE Schools chronic absenteeism is out of control, topping at 21% in 2023. DE schools are seeing a decrease in the level of discipline, and an increase in violence and bullying.

CRIME

Crime is increasing not just in the cities, but in our neighborhoods too. Democrats are soft on crime and it will get worse!

DE Republicans demand a return to the Rule of Law and a stronger, safer, more prosperous America!

FACT Delaware ranks 15th highest in the nation for violent crime per capita! 2023

FACT The most dangerous city in DE is Seaford, and was labeled "The Heroin Capital of America." Laurel, Georgetown and Dover are right behind it in crime.

FACT DE Attorney General created over 40 internal policy changes that make it nearly impossible to incarcerate a person even for an extremely violent crime.

FACT SB 4 is a reform bill that makes all probation and parole unsupervised and prohibits jail time for individuals who break their probation/parole.

FACT The average increase in drug overdose death count is 18% every year from 2012 to 2020 and is still increasing.

FACT Retail theft is up 10.5% nationally, costing Delaware \$547 million in 2022, but DE's AG is soft on prosecuting crimes.

DE Democrats are soft on crime and allow drugs to increase, yet they infringe on 2A rights to prevent us from protecting our families.

It's time to get the vote out to vote Republican!
